Dear Sir:

We are writing to follow up on the notification you received from MSJV on November 30, 1985 regarding the change of management for your storage container.

Since our operation officially begins on January 1, 1986, it is important for all parties that a written agreement exist prior to that date.

We have attempted to reach each tenant, but have not been successful in all cases.

Please come to our offices at 412 Coloma Street, Sausalito, California and execute our contract before January 1, 1986.

In those cases where there is no response, we will assume that the rental space in question will be vacated by January 1, 1986 and proceed to re-rent it from our tenant waiting list.

MSJV has agreed to refund deposits when each account has been paid current.

Please contact Davey Jones at 332-6520 at your earliest convenience.

Sincerely,

Duane M. Hines
